Application is continued on page 2.

DESCRIBE any work, education, training or life-experience that would help you become a broadcaster at KFOK? Include any actual broadcast, TV, newspaper or other media experience. Often, unrelated experience is the best.

BEING A VOLUNTEER:

KFOK is an all-volunteer, non-profit, radio station for the Divide Communities. Without volunteers, the station would not be on the air. As a broadcaster, you are required to earn "KFOK Points" to be a broadcaster in good standing and remain on-air. One easy way to earn points is to volunteer time on a project or a committee, or even take on a major work task to help the station. When you become a broadcaster, more details will be provided on opportunities to volunteer.

So, based on this, **what skills or interests could you bring** as a volunteer to support KFOK?

☐

Please initial inside this box to acknowledge that you understand that volunteering is a part of being a broadcaster at KFOK.

WHAT ELSE could you tell us about yourself? What interested you in KFOK? Tell us how you heard of us? Who told you? What makes you want to be a broadcaster?
